

Santa Fe Railway Collection – HURLEY MAIN COLLECTION

L. M. "Mike" Hurley had 44 years with the Santa Fe Railroad. After his retirement, he served as the Assistant Director of the Harvey County Historical Museum (HCHM) and was instrumental in gathering the Santa Fe Railway Collection for the Harvey County Historical Society. At his death in January, 2001 his pictures, paper collectibles, railroad books and railroad memorabilia came to the museum per his wishes. Mike enjoyed sharing his knowledge about the Santa Fe.

Hurley provided Jane Jones (HCHM Archivist) with descriptions and explanations of the vast amount of material that was sorted. Mike's wife Shirley helped him catalog his own collection. His lasting railway legacy was the book he authored, "*Newton Kansas #1 Santa Fe Rail Hub 1871-1971.*"

L. M. (Mike) HURLEY MAIN COLLECTION – BOX 1

This portion of the Hurley Collection contains Official Guides to Railways, Equipment Register, Railroad Officials, Restoration Feasibility Study for KSHS, Railway Post Office Clerks instructions.

Newton Railway Employees Seniority List and Time Book, 1928.

FILE 3: Time books for L.M. Hurley (conductor/brakeman).

Employees kept personal record of each trip to compare with paychecks. Hurley's time record books June, 1947 to Aug., 1986; 33 books.

(Railroad Operating Department employees were subject to seniority with those higher in seniority getting better jobs. Those that were lowest on the list were subject to being laid off during times of slack business. Workers could bid for vacancies and these were determined on the basis of seniority. Jobs were not always permanent for younger employees. Other factors such as reduced passenger service and diesel locomotives in freight service combined to reduce year round employment opportunities.)

Time record book as Yard Clerk at Sand Creek: March, 1945; Sept., 1945; and Feb., 1947
Includes a paycheck stub from 1947.
